

I listen to K-LOVE 88.3FM exclusively. I don't know how I would get along without it. It is rare to have a radio station that benefits the whole family in such a positive way. People who are not Christians like listening because of the positive music and messages. It is such an uplifting station that helps so many people in need. There is no other station like it. Please don't take it from us. Please don't let money get in the way of helping people. Thank you for your consideration.
